

Learning at Sutton Valence - Excellence is a habit

Engaging

Being actively involved in all that you do within lessons

Persevering

Keeping going with your task especially when it starts to get difficult

Noticing

Being aware of the finer details and the bigger picture

Being

Thinking Flexibly

Considering a range of alternative approaches

Being Accurate

Giving careful attention to detail to avoid simple mistakes

Being Proactive

Taking the initiative for yourself

Listening to Others

Listening to others and taking account of their views

Thinking

Thinking Logically

Thinking rigorously and methodically about your work

Thinking creatively

Imagining new possibilities

Being Self-Disciplined

Being organised and managing your behaviour

Learning from Others

Considering the approaches of others and learning from them

Deciding Who to Work With

Deciding whether it would be better to work with others or alone

Relating

Using Resources

Making effective use of all available resources

Making Links

Connecting ideas and approaches together

Questioning

Asking questions to clarify, challenge and extend your understanding

Planning

Working out in advance what you are going to do

Doing

Taking Responsible Risks

Being willing to try things with uncertain outcomes

Using Experience

Using previous experience to guide what you do

Reflecting

Looking honestly at what you have done and learning from it
