Policy for the Review of Policies

This Policy applies to Sutton Valence School (including as the context requires, the Little Lambs Nursery, the Pre-Preparatory School, Preparatory School and Senior School).

The annual review of policies has been conducted in accordance with our stated procedures.

This year this process has been carried out with reference to the following sources of information:

- Guidance regarding KCSIE 2020 received from Andrew Hall, Farrer's and the National College;
- ISI updates;
- The ever-changing Covid related Guidance from the DFE that has in turn been reflected in the School's Risk Assessment relating to the current pandemic.

Policy for the Review of Policies

The aim of this policy is to state the School's procedure for the production, implementation and review of the School's policies that reflect good practice in the School and comply with the Independent Schools Inspectorate's (ISI), regulatory requirements (effective February 2016, updated February 2020).

Each policy will start by stating the relevant reference to the ISI regulatory requirements and where relevant make reference to other documents both governmental and national and to other School documents.

Each policy will conclude with the name of the author, the policy date and the policy review date.

Guidelines for the review of policies are as follows:

- Policies will be reviewed on an annual basis in deference to changing legislation and/or School practice and will run from November to November except when the School is advised of a change in regulation which requires immediate action. Such instruction will be acted upon as soon as it is received;
- Between July and the Michaelmas Term Governors' subcommittee meetings, policies are reviewed. Amendments are taken to the relevant committees during the Michaelmas term;
- Revised policies are presented to the full Governing Body for signing off in November. Prior to this, policies will be held in a 'Work in Progress' file with proposed changes clearly indicated;
- Governors will be able to access these policies at all times via the webpage <https://svep.svs.org.uk/document-gateway>.
