Sutton Valence School: one school, many journeys

The School Introduction

Sutton Valence is an independent, HMC co-educational day and boarding school situated in the heart of Kent for pupils aged 2-18.

At the Senior School, whilst not fiercely selective on entry, its value added statistics are impressive. For those subjects Sutton Valence offers at A Level, the School aims to be in the top 10% nationally for adding value, managing to bring out the academic potential in every pupil. Equally impressive is the breadth of education on offer, which at GCSE is tailored to each pupil's strengths, recognising that academic achievement is only one measure of success.

From Year 7 (First Form), all our pupils work on laptops using Microsoft OneNote which acts as repository for class notes, prep and online textbooks. Pupils also make notes on their devices and store them in OneNote so teachers can mark online using digital ink or recording. It is expected that most lessons will use the device at some point although many will use a combination of paper work and device.

Individuality, confidence without arrogance and the strength of character to meet the complexities of modern living with equanimity are the hallmarks of a Sutton Valence pupil.

The Senior School's roll is currently 575 of which around 120 are boarders. Class sizes are small and the overall pupil-staff ratio of 9:1 enables Sutton Valence pupils to benefit from the close guidance and individual attention of teachers. The academic staff are all highly-qualified subject specialists with a commitment to continuing professional development.

Contained within the 100-acre site, there are dedicated games pitches, an all-weather playing surface, a sports centre, which contains a fitness suite, an all-weather athletics track and field sports arena and an indoor six-lane swimming pool.

Sutton Valence Preparatory School occupies its own site in the neighbouring village of Chart Sutton and currently has 250 pupils between the ages of 2 and 11.

The History Department

Taking a voyage of discovery into our past, our ancestors and the decisions made by historic figures, History opens the minds of our students. We explore a broad range of historical topics to learn how past societies, systems, ideologies, governments, cultures and technologies were built, how they operated, and how they have changed. The rich history of the world helps us to paint a detailed picture of the world we live in today.

Students will eventually take an in-depth study of British history from 1950-2007, looking at all aspects of social, economic and political developments from post-war reconstruction to the New Labour years. This is complimented by a breadth study of Russia and the Soviet Union between 1855 and 1964. This exciting A Level syllabus covers the Crimean War, the Russian Revolution and the premierships of Lenin, Stalin and Khrushchev. This combination of topics provides our historians with the option of studying History or Politics and a host of transferable skills that are desirable if studying other subjects.

Our History department offers varied ways in which our students can delve more deeply into these events of the past to gain a more realistic understanding of how these occurrences have shaped the present day. History trips, most recently to Poland, Ypres and Normandy offer an invaluable insight to contextualise and support everything that the students learn in the classroom.

In the Junior years (Years 7-9), the major topics include; the Crusades, the Black Death and the Peasant's Revolt, The Tudors, Gunpowder Plot and the Civil War and World Wars. Pupils will be taught to analyse source material, evaluate conflicting points of view as well as the traditional skills associated with essay writing. The Department then offers IGCSE History Board: Cambridge International (CIE) followed by A Level Board: AQA, although we plan to move to Edexcel IGCSE from September 2025.

There are three historians in the department supporting the Head of Department.

The Post

The department seeks a versatile History graduate with a passion for the subject who will provide a source of inspiration to the student body from all ages between 11 and 18. Applicants should have high expectations of pupil achievement and behaviour, excellent organisational and time-management skills, be dynamic, enthusiastic and have a passion for the subject.
